Orange County Rowing Association Membership and Safety Handbook

Name _____

I understand that I am responsible for reading and understanding the information in the *Orange County Rowing Association Membership and Safety Handbook* (the "handbook"). Parents/guardians are responsible for ensuring their rowers understand this information.

I understand I am responsible for downloading or accessing a copy of the handbook from the club's website. If I cannot access the handbook, I will ask for a copy from the coach, or email the Board Of Directors.

I understand that this handbook contains the rules and behavioral expectations for OCRA participants that rowers are expected to follow. I understand that failure to follow these rules may result in suspension from OCRA programs and events, reduction in participation, and removal from OCRA programs and events. I understand that participation in OCRA programs and activities is a privilege, not a right, and participants are expected to exhibit exemplary behavior and leadership skills at practice, regattas, and in the community, or that privilege may be removed.

I understand that the most up to date OCRA rules and safety information is available on the club's website at: www.orangecountyrowing.org

I understand, and agree to follow and comply with all of the rules and safety procedures that are outlined in the handbook.

If I have any questions about information contained in this handbook, I will ask a coach or OCRA administrator to discuss those questions with me. Failure to sign and return this form does not relieve me from complying with and understanding the information enclosed in the handbook. I understand that I will not be able to participate until this form is submitted.
